Product: BeSafe cap

No. 2 – Updated on 13/09/2011

▶ BENEFITS OF THE RANGE

BeSafe: the two-coloured dispensing cap with a double tamper-proof system from VG!

- **Double tamper-proof design for superior product protection**
  - The cap snaps on to become an integral part of the bottle
  - The tamper-evident helps ensure that the product has not been opened prior to sale
- **Functionality:** compatible with most of our ranges thanks to its GCMI 24.410 neck
- **Sleek design**
  - PP for a gloss finish
  - Two-coloured: one colour for the top, and one for the body & tamper-evident
- **Customisable**
  - Wide range of colours
  - Two opening diameters available: 3 mm or 5 mm hole
